Appalachian Gear Company: All-Paca Blanket

Appalachian Gear Company: All-Paca Blanket APPALACHIAN GEAR COMPANY

For those chilly flights, where a bit of warmth and comfort is needed, choose an oh-so-soft blanket from Appalachian Gear Company. The All-Paca Blanket, made from 100% alpaca fiber, is lightweight, minimal in design, and easy to pack in your suitcase. Drape over your shoulders while sitting around the campfire, bring with you while strolling the beach in the early morning hours, or take it with you while on a road trip. This versatile layer will suit you well no matter what ecosystem you're visiting.

Available at appalachiangearcompany.com.

Stio: Skycrest Insulated Snap Shirt

Simple to wear with an easy-breezy fit, the Skycrest Insulated Snap Shirt from Stio will quickly become your go-to garment for slight variations in the weather when you need a bit more warmth. Made with [Thermore's](#) premium insulation, this shacket (shirt-jacket) is perfect for three-season adventures in the outdoors or while urban exploring. Wear while walking the dogs around the neighborhood, camping in

Mammut: Stoney HS Thermo Jacket

For heat adverse travelers who seek out chilly destinations for their vacation fun, you'll need to bring along a protective outer layer that can stand up to the task. Whether you're searching for polar bears in the Canadian arctic with [Natural Habitat Adventures](#), dog sledding in [Swedish Lapland](#), or skiing at [Big Sky](#) resort in Montana, a hard-wearing jacket is key. If you have a cold-weather adventure trip on the calendar, which requires an insulated coat that will keep you toasty, look no further than the Stoney HS Thermo Jacket from Mammut.

KUIU: Tiburon Hybrid Hoodie

Hard-wearing and made to last, the Tiburon Hybrid Hoodie from KUIU is an adaptable layer that will serve an outdoorsy person well. What sets this long-sleeve apart from others on the market is the woven fabric with micro-openings, which keeps the wearer warm and dry. Don while spending long days outside in the sun—this shirt has a UPF 40 rating, or while traveling from one adventure to the next.

Zero Restriction: Wanda Vest

Windproof and designed with a slimming fit for women, the Zero Restriction Wanda Vest is a useful performance item for any closet. It's the subtle details like the ruching at the collar and the reflective details on the pockets that make this well-made vest a standout. Pair with a zipped mock neck long-sleeve shirt or a warmer pullover for those days where the weather requires more bundling up.
